Most of you will be aware as mentioned at the quarterly presentation evening; it gives us great pleasure to announce the Al-Ajar 'Saturday School' extracurricular programme. This is an excellent, niche programme and the first of its kind in Halifax. The programme will include an array of subject areas at both Primary & Secondary level, including Citizenship, Language, History, Sports & Physical Education as well as opportunities to progress on to our Young leaders' programme which gives the opportunity for our committed young people to volunteer, lead and travel on charity expeditions around the World including on our annual Umrah, Morocco Schools and Orphans visit and many more. The Saturday School is scheduled to commence on Saturday 3<sup>rd</sup> January 2017.

**Providing Educational Excellence  
& Sporting Opportunities**

**PARENTS PLEASE NOTE:** The Saturday School will be opened to all previous students and new students, however due to limited places and popular demand, enrolment will be strictly on a first come basis. Thus to enrol and secure a spot for your child we advise you complete and return the reply slip together with having a thorough read of the rules and regulations of the Al-Ajar Education syllabus. Once we have received the return form to confirm your child's place and you have set up a standing order with Al-Ajar, the course materials will be provided.

All monthly payments and fees will go towards the total cost of running the education programme, which now includes the additional teachers/coaches training, Sports venue hire and lunch for all students. Currently the fee is set at £20 a month which will allow us to secure the venue, materials and course tutors.

**Our account details for the standing order are:**

<b>Bank:</b>	Barclays Bank	<b>Name:</b>	Al-Ajar Charity & Education Foundation
<b>Account no :</b>	73764478	<b>Sort Code:</b>	203584

Please use your Child's full name as reference for the standing order payment. Please make the payment on the 1<sup>st</sup> of each calendar month. If you need to make alternative arrangements for payment, please don't hesitate to speak to us privately.

**Lastly; We take our students upbringing and education with the upmost of importance, as parents we hope you do to. Hoping to see you succeed at the highest level. Kind regards.**

Al-Ajar Charity & Education Foundation.
